CONTINUING EDUCATION INFORMATION

**BCBA
CE Credits**

**BOARD CERTIFIED
BEHAVIOR ANALYSTS AND
BOARD CERTIFIED
ASSISTANT BEHAVIOR
ANALYSTS**

All talks at this year's CoFABA event have been approved for BCBA CEs. Each of the session is 50 minutes and will earn 1.0 CE.

There is no additional fee for BCBA CEs, they have been included in the professional registration fee. Student attendees are not eligible to receive CEs.

This year, we are excited to use BehaviorLive's in-person and online CEU experience for our hybrid CoFABA Conference. This offers FABA members a cohesive environment where in-person (in-the-room) attendees can access the same tools as the online attendees including the chat, polls, questions, handouts and more! Those who prefer to attend in-person in a traditional manner are not required to use the app except to scan the QR codes—for attendees wishing to collect CEUs. Similarly, online attendees will click "I'm here" during presentations and—just like in-person attendees—conveniently find all their CEUs are combined in a single location! For those in-person attendees opting to also use

BehaviorLive's intuitive mobile app, on-site users can scan into the event, and then automatically join the online discussion with their peers. This provides our members with a customized experience.
